Unlocks Reading For All Learners

ACTIVE READING CENTER
2026 SUMMER INTENSIVE PROGRAM
TWO SUMMER SESSIONS

S1 JUNE 1-26 - S2 JULY 6-31
(4 weeks) (4 weeks)

Back by popular demand, our *Summer Intensive* program gives any struggling student the opportunity to catch up and beyond!

For over 30 years, our pediatrician-recommended, activity-based program has helped thousands of children acquire a love of reading and learning with our unique *Sound Movements* from the *Open Reading/Reading Revolution®* methodology in a highly supportive atmosphere.

Our activities are customized to the specific needs of each student. The result: ARC students have a great time while learning the necessary skills to thrive in school. A *life changing* experience guaranteed!

Who we can help: Students of all ages and abilities, particularly those with Dyslexia, LD, ADD/ADHD, Speech impairment, Auditory Processing and more.

will teach your child
how to read with
exceptionally
effective strategies!*

"My son came here during the summer to catch up on reading for the 1st grade. The ARC instructor gave him the confidence to not only read, but a love of reading. I would highly recommend this program to any child looking to love to pick up a book!" V.M. Mother of a 6 year old boy.
